1. Remember, you need to “invite” the room to your meeting to reserve the space.
2. You can only make an event recur for 12 months. (re-evaluating your meeting schedule once a year is a good practice) 😊
3. Don’t forget to cancel your reservation if you end up not meeting.

**REMINDER:** CFC Phoenix has many private work areas throughout the building and are reserved on a 1<sup>st</sup> come, 1<sup>st</sup> serve basis. There are also areas in the open including the high-top counters in the programs area and the side and back outdoor patio areas.
